## Got To Be NC Livestock Tag Program

Neil Bowman, Manager 919-707-3151 – [neil.bowman@ncagr.gov](mailto:neil.bowman@ncagr.gov)

The N.C. Department of Agriculture and Consumer Services has launched a tag program to promote livestock born and raised in North Carolina. [View Tag Program Brochure](#)

The Got To Be NC tag program uses special ear tags to identify N.C.-born-and-bred cattle, swine, sheep and goats. The voluntary program is a collaboration between the department's Got To Be NC marketing program, Livestock, and Veterinary Division.

To qualify for the program, ranchers must be North Carolina residents and complete the Got To BE NC Livestock Tag Application and participating animals must be conceived and born in the state. Participating livestock must be identified with an official Got To Be NC tag purchased by the producer before they are sold. The tags cost \$5 apiece. Ranchers must complete a producer tag record and submit it to the department after tagging their animals.

In addition to promoting livestock, the tags also will help producers comply with state and federal laws governing interstate transportation of animals.
