Temporary Food Event Vendor Application

This application must be completed and submitted to the Buncombe County Environmental Health to provide information about all food preparation and sales to the public at any public event or exhibition within Buncombe County. A TFE permit may only be issued in conjunction to a special event such as fair, carnival, circus, public exhibition or other similar gathering. Examples are NC Mountain State Fair, holiday festivals, traveling carnivals and special events. In addition to this vendor application, a separate Organizer Application shall be submitted by the organizer of the event or exhibition.

Please Note:

- Applications must be submitted no later than 15 days prior to the event.
- Applications can be mailed, emailed, faxed or submitted directly to: 30 Valley Street, Asheville NC 29901; Fax: 828-250-6161; email EHRequest@buncombecounty.org
- A fee of \$75.00 will be required for each food service permit and must be paid with the submission of each Food Vendor Application.
- Food Vendor Application will not be considered complete until the Organizer Application is received. If the
 Organizer Application is not received within 15 days prior to the event the Vendor Application may be denied.

Menu Details

Provide a complete list of all food/menu items in the chart below and check "Advanced Preparation" if the food/menu item will be prepared prior to the event or check "Prepared at Event" if no advance preparation is needed. Check both "Advanced Preparation" and "Prepared at Event" if food/menu item requires both types of preparation. Please include all add-on items such as lettuce, tomato, onion, etc. (example: Hamburgers with cheese, lettuce, tomato, onion).

*Please note: food preparation may not exceed more than 7 days prior to the event. *

15) Must submit plan with application. Please see below example of a typical food booth setup. Please note that <u>ALL</u> food booths must have approved hand wash set-up and utensil washing set-up for washing, rinsing and sanitizing equipment. Other equipment needs may vary.

I certify that the information in this application is complete and accurate. I understand that:

- Any changes to my operation must be submitted to the Buncombe County Environmental Health for review and approval prior to the day of the event
- All Time/temperature control for safety foods (TCS) that I am serving must be maintained at approved temperatures (41°F or below for cold food and 135°F or above for hot food) during transport, holding and/or service
- Failure to maintain approved temperatures for TCS foods may result in disposal or embargo of the food
- Vendor is expected to be ready at permitting time.
- Permits must be posted in a conspicuous place designated by the regulatory authority.
